

Yarbrough Tennis Center Elementary School Team Tennis *10 and under 4th & 5th. Grade*

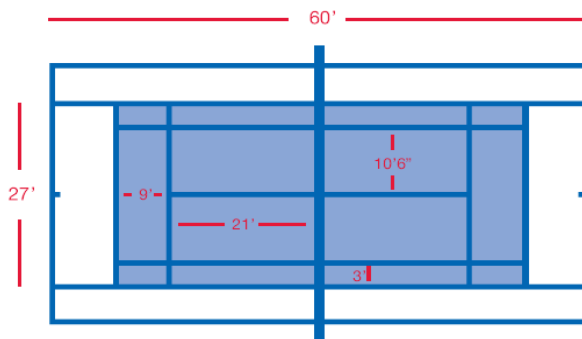

The Junior Team Tennis League class is designed to be fun for kids playing tennis in a group / team format. We will teach the kids good fundamental strokes and body position that they can take to the next level while keeping the class fun and carefree. We use special multi-colored tennis balls, sponge balls, and games to keep the kids motivated. We will offer prizes and have a quarterly party to promote team camaraderie in a non-competitive environment . Juniors will have the ability to join our junior tennis programs to further enhance their abilities during the rest of the year.

Courts are 60' and kids rackets are used.

Parents are encouraged to participate.

Parents, your help is needed and wanted. We will show you how to help keep score and run a court with the pros help so not only your child but you also will be involved. With 10 & Under there are only 4 games in a set with no add scoring, so match play is short and sweet. Kids play the best of three sets; the first to win 4 points wins the game, first one to win four games wins a set. For the third set a tie breaker is used, the first player to win seven points (by 2 points) wins the match.

Format

1. Each team will consist of 6 members 3 boys and 3 girls.
2. Teams will be made by grade level and school. 4th and 5th.
3. Teams will play juniors from other schools by grade level.
4. More than one team per school, per grade is encouraged.
5. Each Team Match format will be:
 - A) 1 boy and 1 girl Singles
 - B) 1 boys and 1 girls Doubles
6. We will try to keep teams as even as possible but some teams may have members from other schools and grades as necessary for everyone to get chance to play.
