

Yarbrough Tennis Center Elementary School Team Tennis 8 and under 1st., 2nd, & 3rd. Grade

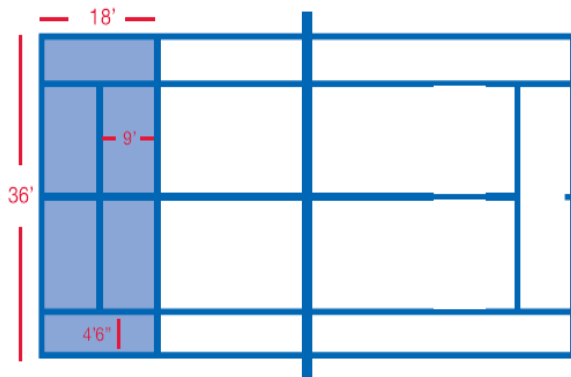

The Junior Elementary School League class is designed to be fun for kids playing tennis in a group / team format. We will teach the kids good fundamental strokes and body position that they can take to the next level while keeping the class fun and carefree. We use special multi-colored tennis balls, sponge balls, and games to keep the kids motivated.

Juniors will have the ability to join our junior tennis programs to further enhance their abilities during the rest of the year.

Courts are 36' and kids rackets are used.

Parents are encouraged to participate.

Parents, your help is needed and wanted. We will show you how to help keep score and run a court with the pros help so not only your child but you also will be involved. With 8 & Under there are only seven points in a game, so match play is short and sweet. Kids play the best of three games; the first to score seven points (by 2 points) wins the game. The first to win two games wins the match. The longest a match will last is approximately 20 minutes.
